STEWARDSHIP MESSAGE FOR YOUR CHURCH

Kevin O'Leary (Millionaire from *Shark Tank*), was asked what he thought about the 85 richest people on Earth that are worth as much as half the world's population. O'Leary's response - "It's fantastic. This is a great thing because it inspires everybody, gets them motivation to look up to the one percent and say, 'I want to become one of those people, I'm going to fight hard to get up to the top.'"

The co-host's shocked response, "So somebody living on \$1 a day in Africa is getting up in the morning and saying, 'I'm going to be Bill Gates?'" "Yes, that's the motivation everybody needs."

I realized it's about invisibility. Poor people are invisible to Mr. O'Leary. So what does the Bible say about being invisible? In Romans 1: 19-20 we read, *They know the truth about God because he has made it obvious to them. Forever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see God's invisible qualities—God's eternal power and divine nature. So they have no excuse for not knowing God.*

If we are aware, God is revealed in a beautiful sunrise, in a bird's song, in the wind through the trees, or in the crashing of waves. If we are aware, God will reveal the people and places that need us and need the church. If we are aware, we will see all the invisible people right in front of us in plain sight. And then God will give us the power to respond.
